Report:	On November 2, 2021, the ECO-CLUB at TIAS organized a significant event titled "A Brighter Future: Advocating for Firecracker-Free Celebrations." The initiative aimed to raise awareness about the adverse effects of firecrackers on health and the environment.		
	<div style="text-align: right;">  <small>Coordinator</small> <small>Internal Quality Assurance Cell (IQAC)</small> <small>Tecnia Institute of Advanced Studies</small> <small>New Delhi-110085</small> </div>		

	<p>particularly during festive seasons. The event sought to promote eco-friendly alternatives that preserve the spirit of celebration while prioritizing the well-being of both people and nature.</p> <p>Participants learned about the use of soundless and eco-friendly options such as LED lights, sparklers, and decorative lanterns. The workshop included hands-on activities where attendees crafted their own decorative items, reinforcing the message that celebrations can be both beautiful and sustainable.</p> <p>"A Brighter Future: Advocating for Firecracker-Free Celebrations" was a resounding success, bringing together students, faculty, and community members in a meaningful dialogue about the importance of celebrating responsibly. Through awareness sessions, workshops, and collective pledges, participants left with a renewed commitment to promoting eco-friendly celebrations.</p> <p>The event not only educated attendees on the harmful effects of firecrackers but also inspired a collective movement toward sustainability during festivals. The ECO-CLUB is dedicated to continuing these efforts, ensuring that future celebrations honor both tradition and the environment. By advocating for firecracker-free festivities, we take a significant step toward a healthier and more sustainable future for our community and planet.</p>
