Report: Description in (min 250 to max 800 words)*

The National Service Scheme (NSS) of TIAS organized a crucial outreach activity titled "Think Before You Drink: Choose Life Over DUI" on 5th June. The primary objective of this initiative was to raise awareness about the dangers of Driving Under the Influence (DUI) and its devastating consequences on individuals and society. The event aimed to promote responsible drinking and highlight the life-threatening risks associated with impaired driving.

This outreach activity, supported by local law enforcement, healthcare professionals, and social activists, was designed to target youth, especially students, to educate them on the importance of making responsible choices when it comes to alcohol consumption and driving. Through engaging sessions, awareness drives, and interactive activities, the initiative sought to inspire long-term behavior change, focusing on preventing DUI-related accidents and promoting safe driving practices.

On June 5, 2023, the World Environment Day event was successfully hosted at the Pitampura Community Center in New Delhi. The choice of venue proved ideal for the event's diverse activities, which included educational workshops, interactive demonstrations, and community engagement initiatives. Located in Sector 17, Pitampura, the community center The community clean-up drive was organized in a nearby park area, chosen for its need for attention and proximity to the venue, enabling participants to actively contribute to environmental conservation. Participant feedback was overwhelmingly positive.

Posters, banners, and flyers with anti-DUI messages were displayed around the campus and local areas. Social media campaigns with the hashtags. At the end of the event, participants took a pledge to be responsible in their drinking habits and committed to never driving under the influence. This pledge was symbolic of their dedication to safe driving and promoting responsible behaviors in their communities.

The "Think Before You Drink: Choose Life Over DUI" outreach activity was a resounding success in raising awareness about the life-threatening consequences of driving under the influence of alcohol. Through a combination of interactive activities, educational sessions, and peer
