**Report:**

A webinar was organized on 13.09.2021 under the ambit of Capability Enhancement Scheme on the topic, CAT vs GMAT vs GRE. The speaker was Mr. Navneet Anand, Head MBA Division, Career Launcher. The speaker made the students understand to develop a right career path for themselves and should plan what to do after BBA in sync with their goal. He discussed the scope and opportunities of MBA in India. The speaker stated that CAT, GMAT and GRE assess the potential of candidates interested in applying to various programs of Masters and Doctoral. India takes CAT for the candidates who are interested in pursuing management education as a mandatory, while those who are interested for management education from abroad or in premier Indian b-schools take the GMAT and GMAT Score is accepted by more than 6000 programs approximately. GRE is accepted by thousands graduate and business Universities/colleges/schools. He explained that profile building is very important for the candidates who are aspiring to get admission in premier institutions.

He further elaborated that the skills tested on the three tests are those that the candidate has developed over a period of time, and that the skills tested on the three tests are by far the same, but the depth of understanding of concepts and the manner in which the concepts are tested varies from one test to the other. He exemplified by elaborating that writing skills are not tested in CAT, but GMAT and GRE have an Analytical Writing (AW) section. The GMAT has one writing task while the GRE has two writing tasks. He described

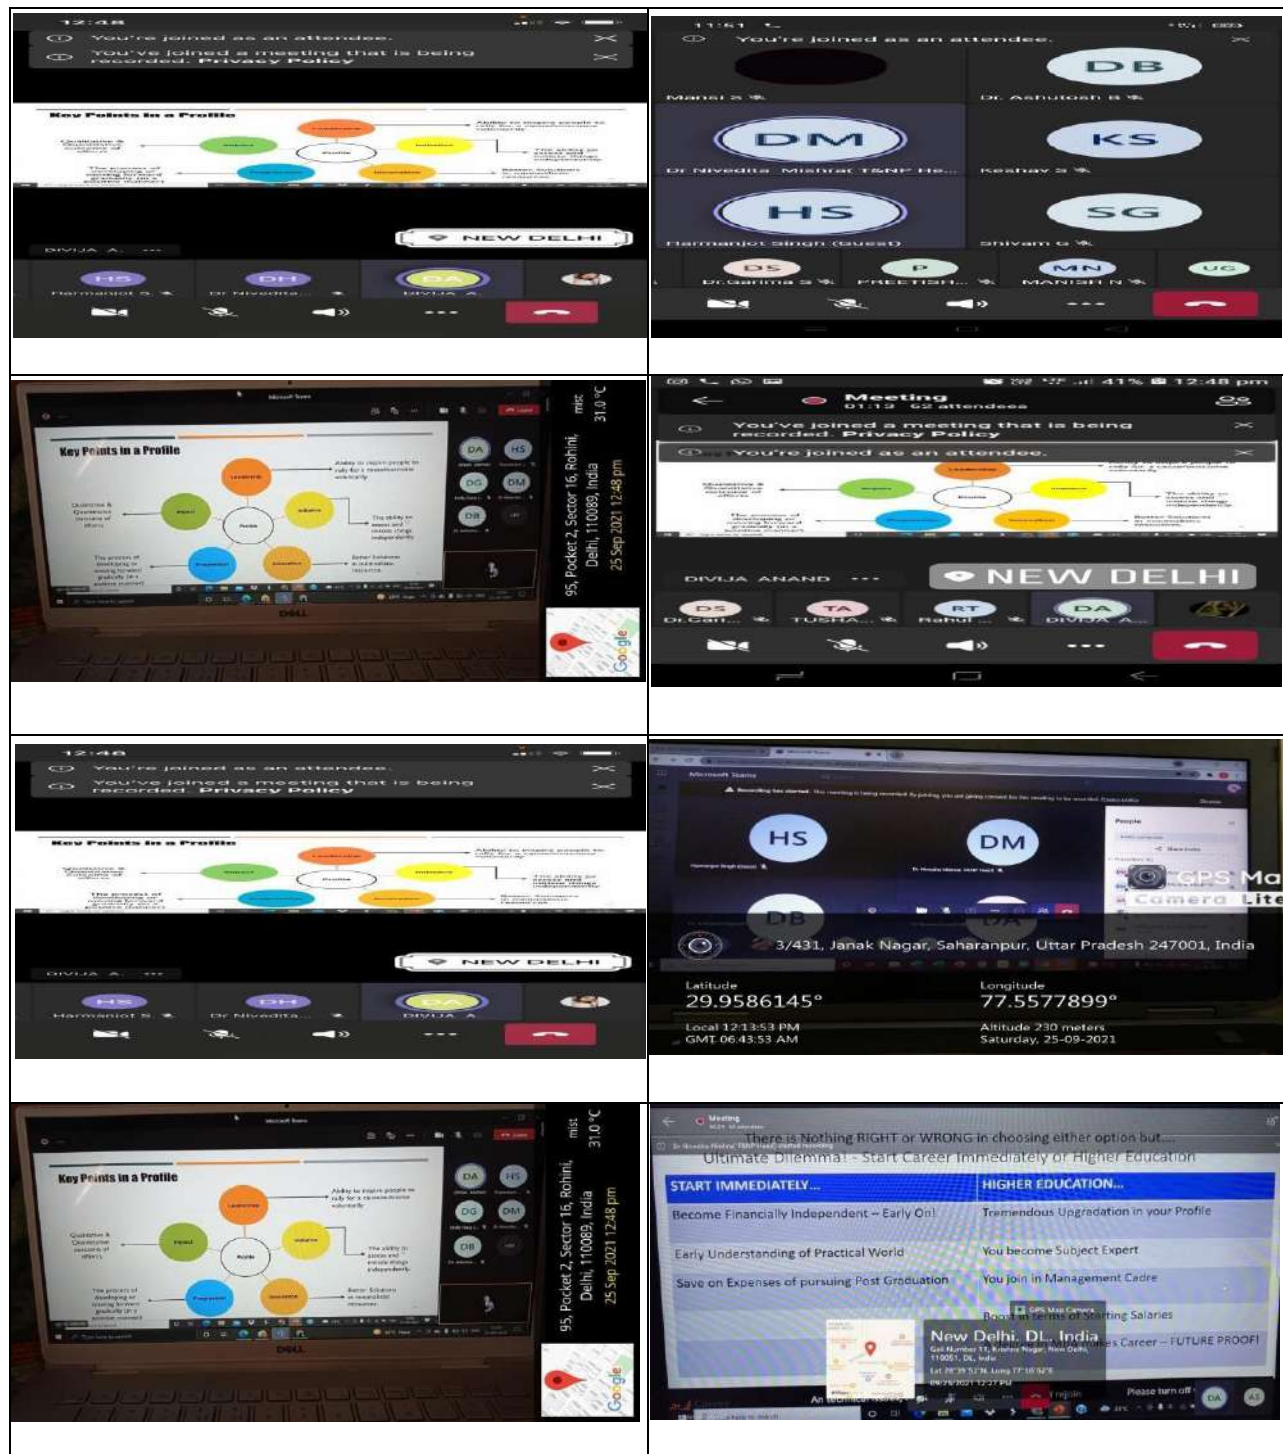

The speaker discussed the mode of the tests, when it is held and who conducts. He also elaborated its is the pattern of the tests, the duration of the test, sections of the test and navigation permission, maximum score/score range, and the marking scheme. He also discussed about the preparation strategy for all the three tests. Earlier, Dr. Nivedita welcomed the guests and introduced him to the students. The one hour session was very interactive. It was well coordinated and well received by the students. The webinar ended with a vote of thanks by Dr. Nivedita and feedback collection.

**Learning Outcome:**

**Report:**

A workshop was organized by on 25.01.2022 topic, 'Voice Modulation and Show Selection' for the students of Ba (J&MC) students. The resource person was Mr. Pratik Yadav, Podcaster & Celebrity Interview Jagran New Media. The workshop started with a welcome and introduction of the guests and eminent speakers by Dr. Nivedita. Dr. Ajay Kumar, Director TIAS in his opening remarks motivated the students and guided them to understand the nuances of voice modulation. In his speech, Prof. (Dr.) M N Jha said that the topic of the workshop was apt and relevant especially in the time of post pandemic when there is huge demand of voice over artists and presenters for uprising usage of digital platform. The resource speaker Mr. Pratik Yadav, discussed the importance of voice modulation especially in the field of media industry and podcast; and elaborated the solutions to the hesitations of the budding artists. He discussed that individuals who are interested to use their voice need to understand what is their interest area, personality type, whether the matter appeals them, can they research on the matter and they should always keep in mind that one's voice does not matter but the magic is in delivery. He guided the students to work on concepts and topic which may be specific based on age region, etc. or general.

He explained the process of story plot Map and gave seven vital tips of delivery. He suggested that in any audio show the success depends on the artist's tone, pause, clarity, pronunciations, speed of delivery, completeness of the sentences, how much he or she is able to engage the audience etc. and also that one needs to practice the skills as the expertise comes with time. He also suggested exercises to control the voice and to have clarity in the voice. Later in the workshop he asked the students to do intonations and voice over by giving them sample practice words and story and guided them about their shortcomings. The three hour workshop was well coordinated by Mr. Mayank Arora was well received by the students. The workshop ended with a vote of thanks by Dr. Nivedita and feedback collection.

### Resource Person:

Dr. Nivedita

### Objective:

- To make students understand the job opportunities in the post pandemic situation.
- To make students understand the skills required for opportunities in post pandemic situation.
- To make students understand the challenges in the job options and selection process in post pandemic situation.
- To enhance the confidence of the students.

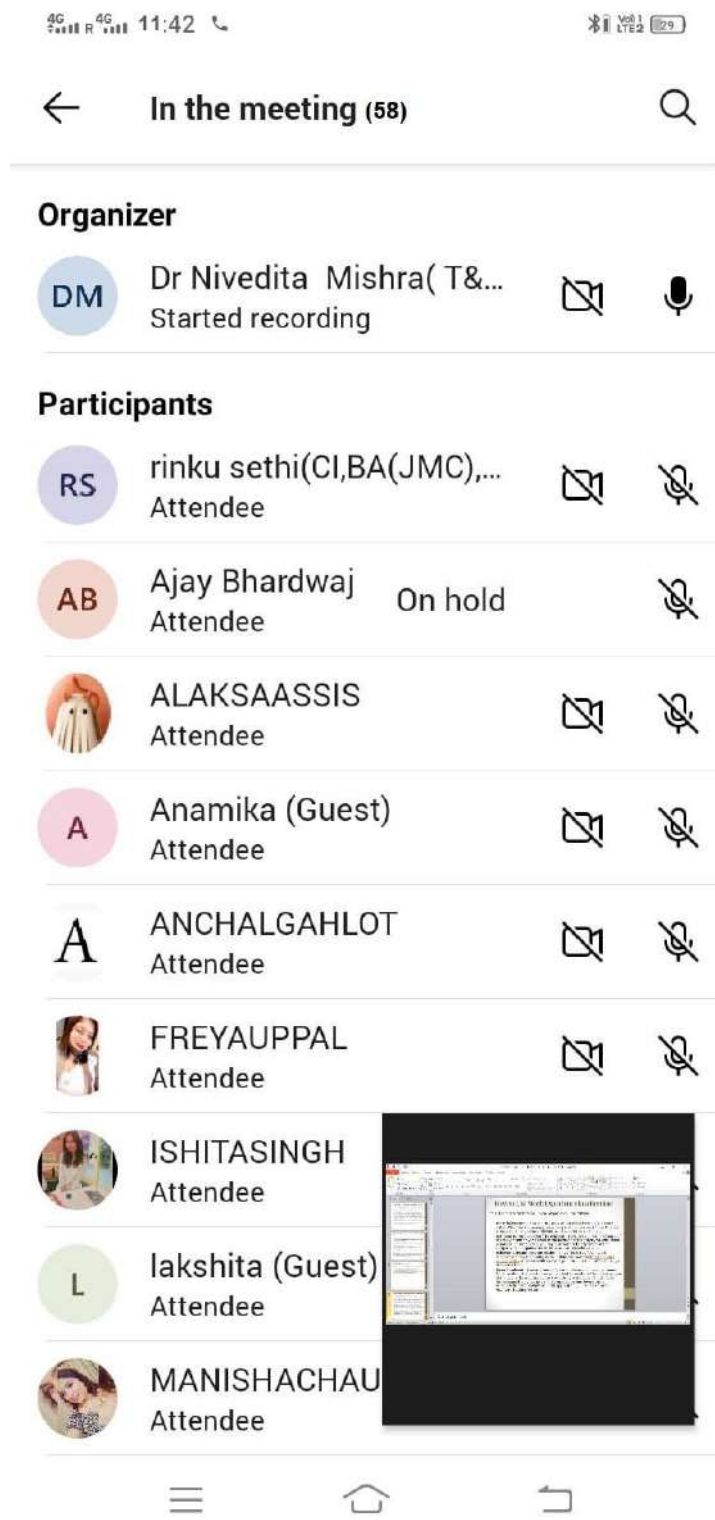

**Report:**

A webinar was organized on 28.01.2022 under the ambit of capability enhancement scheme. The topic was Post Pandemic: Career Opportunities and Challenges, and the speaker were Dr. Nivedita. The speaker briefed the students that COVID-19 pandemic has triggered one of the worst jobs crises and before COVID-19, the largest disruptions to work involved new technologies and growing trade links. She discussed that COVID-19 has, for the first time, elevated the importance of the physical dimension of work and the changing nature of work due to COVID-19 led to an increase in the share of job postings advertising “working from home” as a required condition. She told the students that there is a strong increase in the demand for technical skills, transversal skills, such as “communication skills” or “team work” are also in strong demand along with negotiations, critical business decisions. She discussed that the pandemic-led digital shift created a massive demand for skilled professionals in domains like Business Analytics, Data Science, Machine Learning, Artificial Intelligence, Cybersecurity, Digital Marketing, & Design Thinking. Sectors like technology, BFSI, e- commerce, ed-tech, and logistics are hiring fresh and top-rated tech talent for roles in emerging technologies. She further added that as there is an uptick in demand for these programs in emerging technologies, and the top skills that will continue to be in demand in 2022 are Artificial Intelligence, Machine Learning, Data Science, Cloud computing, Digital Marketing, Data engineering, and Information security, Content development, website development, animation skills, etc. She told the students that the upscaling of presence of companies on digital platform has caused upsurge in professionals with skills of digital designing, Graphic designer, you tubers, presentation etc. and that here is also rise in Gigs and free lancers. She further elaborated that Challenges have also been diversified, with now flexibility of time and space, the competition has grown wider. The candidates having right technical and people skills should work on their profile continuously so that they are picked up by the companies. She further said that not only work but even the hiring process has been changed and now companies are coming with online test and interview. She guided the students that the selection process also requires certain adaptation and the candidates should work on their skills for video interview as well. The one hour session was very fruitful and was well coordinated.

**Learning Outcome:**

- The students understood the job opportunities in the post pandemic situation.
- The students understood the skills required for opportunities in post pandemic situation.
- The students understood the challenges in the job options and selection process in post pandemic situation.
- Students’ confidence was raised.

## Report:

A seminar was organized on 02.03.2022 on the topic, 'Orientation Program: What Industry Demands?' under the ambit of Capability Enhancement Scheme in MPH, PG Building TIAS for the students of BA(J&MC) 1<sup>st</sup> year. The resource person was Dr. Nivedita. The purpose of organizing the session was to give an insight to the students as to what industry demands so that they can groom themselves for the same. The speaker discussed about the scope and avenues after completing BA (J&MC). She described that Covid 19 has changed the entire job scenario and the skill sets requirement. She further elaborated the new normal and how students can align themselves. She suggested the students to understand their strength and to master the technical skills of their desired field and also to go for live projects and internship to make their candidature strong. and also scope prepare students for group discussion. The speaker told the students that that not only hard skills like business analytics, craftsmanship, camera skills, output skills, animation design and graphics etc, the industry is putting more attention to the candidate's soft skills and people management skills like, loyalty, empathy, integration, adaptability, learnability, time management, risk takings, creativity etc. She gave tips to the students to adopt to groom themselves as she said that the expertise in all the skills come with the practice only. The one hour session was well coordinated by Mr. Mayank Arora and was well received by the students.

## Learning Outcome:

- Students understood the scope and opportunities after BAJMC.
- Students understood the hard skills that are in demand by the industry.
- Students understood the importance of soft skills and people's management skills.
- Students got motivated to work on their profile.
- Students' confidence was enhanced..

### Objective:

- To make the students understand the importance of strong vocabulary in competitive exams
- To make the students learn the methods to strident the vocabulary
- To make the students apply their skills through some practice questions
- To make the students prepared for competitive exams

### Reports:

A seminar on "How to Build Vocabulary for competitive exams" was organized on 12.04.2022 at TIAS, Auditorium Under the ambit of Capacity Enhancement Scheme. The speaker for the seminar was Mr. Amit Poddar, Trainer T.I.M.E Education Pvt. Ltd. The speaker informed the students that strong vocabulary is essential for excelling in sections like reading comprehension, verbal ability, and language proficiency, which are common in various competitive examinations. He discussed various techniques and methods to enhance the ability to solve vocabulary problems in competitive exams like reading extensively, learning words in context, using mnemonic devices, creating flashcards, and practicing with vocabulary-building exercises and quizzes. He further asked the students to apply the concept of word root analysis to understand prefixed and suffixes and advised them to familiarize themselves with common word roots. He made the students to practice for vocabulary test in the seminar and apply their skills. Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The seminar was informative and provided insight into data science and AI. The seminar was well organized and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

### Learning Outcome:

- The students understood the importance of strong vocabulary in competitive exams
- The students learnt the methods to strident the vocabulary
- The students applied their skills to solve practice questions
- The students understood how to work on vocabulary for competitive exams

## Report

A seminar was organized on 23.06.2022 under the ambit of Capability Enhancement Scheme on the topic 'Basics of Group Discussion and Tips for CAT 2023'. The resource speaker for the seminar was Mr. Amit Poddar, Regional Head T.I.M.E

The speaker informed the students that regardless of whether one is looking at getting into a top-notch college or applying for a job, the group discussion (GD) round is a vital component in any screening process, where the participants are asked to debate and discuss different aspects of a topic given by the interviewers. He explained that the group discussion round is a critical step as it allows interviewers to analyse candidates on a variety of parameters, including their level of confidence, teamwork qualities, communication, leadership, analytical, and logical skills.

He advised to research popular topics of relevant field before taking part in a group discussion. He further asked the students to always be prepared and composed for a group discussion and advised them to take the lead in GD. He suggested not be aggressive in the GD and listen everyone, not just hear. He said that one has to communicate effectively and should not deviate from the topic. He emphasized that participants' body language, mannerism and etiquette are also observed by the interviewer.

The speaker discussed about CAT and informed the students that it is a computer-based test with total time duration of 2 hours. He further informed that the exam is devised to evaluate the aptitude for management education and the subsequent flair for the corporate professions. He discussed about the pattern of CAT examination and important topics. He advised the students to strengthen their basics and give regular mock test. He emphasized that assessing the mocks will provide a clear picture as to where one stands and also give a guideline to formulate the exam strategy. He suggested the students to go through CAT previous years' papers to understand the pattern as well as the difficulty level of the paper, to make a note of important topics subject wise, to master RC section, and to start reading newspapers, articles and listen to debates to strengthen general awareness. He advised the students to take their mock test very seriously and asked them to aim to score higher in every next mock test they take.

Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The one hour session was very interactive and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.
