**Activity / Event : Seminar on Java Full Stack  
Scope and Opportunity**

**Date : 03<sup>rd</sup> Nov, 2022**

## Event Report

<b>Event:</b>	Seminar on
<b>Topic:</b>	Java Full Stack Scope and Opportunity
<b>Date:</b>	03.11.2022
<b>Time:</b>	10.30 AM onwards
<b>Venue:</b>	BCA Class Room
<b>Students:</b>	BCA
<b>Convener:</b>	Dr. Nivedita
<b>Beneficiaries:</b>	52

### Resource Person:

Mr. Padam Bhus, Cluster Head Anudip Foundation.

### Objective:

- To make the students understand about JAVA Full Stack Development
- To make the students aware about the scope and opportunities of JAVA Full Stack Development
- To make the students understand the required skills for JAVA Full Stack Developer
- To make the students aware about the learning resources for JAVA Full Stack Development

## Report:

A seminar on "Java Full Stack Scope and Opportunity" was organized on 03.11.2022 Under the ambit of Capacity Enhancement Program. The speaker for the seminar was Mr. Padam Bhushan Dwivedi, Cluster Head Anudip Foundation.

The speaker defined full stack development as a tool to work both front-end (client-side) and back-end (server-side) development, using JAVA along with associated technologies such as HTML, CSS, JavaScript, Spring Boot, and Hibernate. It provides a very important tool where there is a demand of scalable and robust web applications.

He informed the students about the growing demand of Java Full Stack Developer in the fast evolving field of web development and discussed its wide range of scope in various industries including IT, e-commerce, finance, healthcare, etc. He further stated that a person who is equipped with the skill of JAVA full Stack Development can be hired as Full Stack Developer, Java Developer, Web Developer, Software Engineer etc. He also informed the students about the career path for JAVA Full Stack Developer. He further discussed about the resources of learning from where the interested students can upgrade themselves.

Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The seminar was interactive and provided insight into Java Full Stack Development. The seminar was well organized and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

### Learning Outcome:

- The students understood the concept of JAVA Full Stack Development
- The students got awareness about the scope and opportunities of JAVA Full Stack Development
- The students understood the required skills for JAVA Full Stack Developer
- The students got awareness about the learning resources for JAVA Full Stack Development

### Resource Person:

Dr. Shivani Khurana, ILM Institute for Higher Education

**Objective :**

- To make the students understand about the versatility of the BBA in terms of business domain knowledge.
- To make the students aware about the various sectors wherein, they can work after completing BBA.
- To make the students aware about the different job role offered after doing BBA.
- To make student aware about the salary offered in different job roles and in different sectors.
- To make the students realize that satisfactory job profile and a decent salary depend on various soft skills along with domain knowledge.

**Report:**

A seminar was organized on 09.11.2022 under the ambit of Capability Enhancement Program on the topic 'Job Opportunities after BBA'. The resource speaker for the seminar was Dr. Shivani Khurana, IILM Institute for Higher Education.

She said that BBA program allows the students to build their skills in all areas of business that is, Marketing, Sales, Finance, Operations, HR and Information Technology. A student with domain knowledge skilled with leadership along with management skills is a right for contemporary jobs. A student who graduates out of a BBA course can choose any field or domain and can excel in it. BBA courses also help develop entrepreneurship and business skills among students and it has become a hugely popular choice.

She informed the students that after doing BBA course the offered salary in India can range between INR 2 and 10 LPA reaching up to 30 LPA in some cases as per Glass door depending on various factors like interpersonal skills, a field of specialization, and proficiency in it. She further said that often BBA jobs salary per month is be a bit low initially for fresher but soon as the candidates gain relevant experience and knowledge, their salary is also raised.

She discussed that the BBA salary in India also depends on the type of sector one chooses to work in like Travel & Tourism, Hospitality, Service Industry,

Manufacturing industry, Fintech, Manpower Resourcing, Consultancy, Software industry, Telecom, IT etc. and the job designation like Business Development Executive, Account Manager, Marketing Executive, HR Executive, Data Analytics, Digital Marketer, Wealth Manager, Brand Manager etc. She emphasized that after completing BBA a student can go to any sector and at any profile depending on their domain proficiency and job competencies. Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The one hour session was very interactive and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

### **Learning Outcome**

- The students understood the versatility of the BBA in terms of business domain knowledge.
- The students got awareness about various sectors wherein, they can work after completing BBA.
- The students got awareness about the different job role offered after doing BBA.
- The students got awareness about the salary offered in different job roles and in different sectors.
- The students realized that satisfactory job profile and a decent salary depend on various soft skills along with domain knowledge.

Capability Enhancement Program

**Seminar on  
HIGHER EDUCATION &  
CAREER PROSPECT IN UK**

Let's discuss it with

**Ms. Sandhya Kathuria**  
Branch Manager, NSP  
SI-UK Delhi

Program : BBA Final Year

Date : 16-11-2022

Time : 12:00 PM

Venue : BBA Class Room, TIAS

**Event:** Seminar on  
**Topic:** Higher Education and Career Prospect in UK  
**Date:** 16.11.2022  
**Time:** 12:00 PM onwards  
**Venue:** BBA Class Room  
**Students:** BBA  
**Convener:** Dr. Nivedita  
**Beneficiaries:** 46

### Resource Person:

Ms. Sandhya Kathuria, Branch Manager, SI-UK Delhi

### Objective:

- To make the students aware about the scope, opportunities and advantage of pursuing higher studies in UK.
- To make students understand the eligibility and requirements for admission in various universities in UK.
- To inform the students about the process of Admission in different programs in prestigious University in UK.

## Report:

A Career Counseling session was organized for BBA students on 16.11.2022 on the topic " Higher Education and Career Prospect in UK" by TIAS under the ambit of Capability Enhancement Program, so as to make the students aware about the possibilities of higher education in various Universities in UK. The session was targeted to make the students understand about the scope and opportunities of pursuing higher studies in UK. The students were also guided as to how to apply and get admission in different programs at different Universities of UK. They were also given information about the time of admission and eligibilities and requirements for the same. They were briefed about the IELTS and its importance along with the preparation strategies for it. They were informed about benefits and advantages of pursuing higher education from abroad, along with avenues of job opportunities and prospects. The session also educated them about scholarship programs offered in Universities in UK.

Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The seminar was interactive and provided insight into Higher Education and Career Prospect in UK. The seminar was well organized and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

## Learning Outcome:

- Students got information about various avenues of higher education in UK.
- Students got information about the admission process in various universities in UK.
- Students were able to understand about IELTS and its preparation strategy.

**Resource Person:**

Ms. Monika Sharma, Team AFQC, North Team Edureka Learning Centre.

**OBJECTIVE:**

- To make the attendees understand the meaning of Data Scientist and their work profile.
- To make the attendees understand the types of tools they should master to become a data scientist.
- To make the attendees aware about scope and opportunities Data Scientist.
- To make the attendees aware about the salary trend and growth prospect of Data Scientifics professionals.

## REPORT:

A seminar was organized on 24.11.2022 for the students of BCA program under the ambit of Capability Enhancement Program. The speakers were Ms. Monika Sharma, Team AFQC, North Team Edureka Learning Centre, as guest and Dr. Nivedita, The guest speaker Dr. Monika Sharma defined Data Science as a massive field of study involving large volumes of data to get hidden trends and patterns and obtain valuable information that aids in better decision-making. She Emphasized that companies collect vast amounts of data and use multiple data science tools and techniques to build predictive models. She also described Data Scientists as professionals who collect, analyze, and interpret vast amounts of data. She said that A Data Scientist has a strong understanding of Python Statistics, R Statistics, Apache Spark and Scale, Deep Learning with Tensor Flow, Tableau etc. She further added that data scientists are in the most demand in the data science field; however they are scarce, creating many job opportunities. She said that Data Science is significantly in demand and according to Glass door, data scientists rank second in best jobs for 2021. She briefed the students that data science is one of the most in-demand and highly paid jobs. According to Glass door, Data scientists make an average of \$116,100 per year, making data science a highly lucrative career option. She informed that **2.7 Million Career Opportunities** were estimated for Data Science and analytical roles in 2021; and the **salary trends were** an average of \$114,000. She further informed that there was **28 % annual growth** in job opportunities for data scientists, data developers and data engineers, across the globe. She described that the different job roles for data scientists are Data Analyst, Data Scientists, Data & Analytics Manager, Principal Scientist, Statistical Programming Specialist, Analytics Lead, Data Engineer. She informed the students that the companies hiring Data scientists are Oracle, Microsoft, Amazon, Google, Facebook, Apple, IBM, JPMorgan Chase, Deloitte and TCS. However, Data scientists are in high demand by start-ups and large companies. She further shared that according to the United States Bureau of Labor Statistics (2021), the field of data science is expected to develop at a rate of 22 percent from 2020 to 2030, thrice more than any typical profession and the future for Data Scientists looks promising as there are many new technologies that are now using Data Science for their advancements in the tech revolution. Industries like Weather Forecasting, Gaming and Image Recognition are using Data Science. Earlier, Dr. Nivedita welcomed the guest speaker and introduced her to the students. She informed the students about the objective of the seminar and scope and importance of learning tools of Data Science for career. The one hour session was well coordinated and well received by the students.

## LEARNING OUTCOME:

- The attendees understood the meaning of Data Scientist and their work profile.
- The attendees understood the types of tools they should be master to become a data scientist.
- The attendees got awareness about scope and opportunities Data Scientist.

- The attendees were informed about the salary trend and growth prospect of Data Scientifics professionals.

**Activity / Event : Seminar On Awareness and  
Opportunities in Logistics**

**Date : 06<sup>th</sup> January 2023**

## EVENT REPORT

<b>Event:</b>	Seminar
<b>Topic:</b>	Seminar On: Awareness and Opportunities in Logistics
<b>Date:</b>	06 <sup>th</sup> January 2023
<b>Time:</b>	12:00 PM Onwards
<b>Duration:</b>	One Hour
<b>Platform:</b>	Multipurpose Hall, PG Building, TIAS
<b>Program:</b>	BBA 1 <sup>st</sup> Year
<b>Convener:</b>	Dr. Nivedita
<b>Students:</b>	45

### Resource Person:

Ms. Alpana Chaturvedi, CEO My Logistics Gurukul,  
 Mr. Sanjeev Chaudhary, Trainer My Logistics Gurukul

**Objective:**

- To make the students understand the scope and opportunities in logistics industry.
- To make the students understand the various profiles in logistic industry.
- To make the students understand the key skills required for various profiles in logistics industry.

**Report:**

A seminar was organized on 06.01.2023 under the ambit of Capability Enhancement Program on the topic 'Awareness and Opportunities in Logistics '. The resource speaker for the seminar was Ms. Alpana Chaturvedi, CEO My Logistics Gurukul and Mr. Sanjeev Chaudhary, Trainer My Logistics Gurukul.

The speaker Ms. Alpana Chaturvedi informed the students about Logistics as a process of controlling the resources obtained, housed and delivered to their delivery points and emphasized that a good logistics management is essential to companies. She described that the logistics industry comprises all supply chain activities, mainly transportation, inventory management, flow of information and customer service. It determines the success of not only the country's supply chain but also influences it on a global scale. The effectiveness of logistics helps to determine the degree of ability that enterprises can keep up with demand. She described that the economic crisis caused by the COVID-19 pandemic has shone a spotlight on the critical value of global supply chains and the logistics companies and that the logistic sector was less severely impacted than travel or transportation industry.

The speaker spoke about the different job profiles in logistics like Consultants, Logistics Analyst, Customer Service Manager, International logistic Manager, Inventory Control Manager, Logistics Engineer, Logistics Manager, and Logistic Service Salesman. She elaborated the objectives of having strong logistics management as to minimize the manufacturing costs, Efficient Flow of Operations, Better Communication Flow and Better Inventory Management with an aim to Provide Competitive Edge. She discussed that the key elements of logistics that include storage handling, packing, inventory, delivery, and information handling. She said that key skills required for logistics companies were, ability to see the big picture, adaptability, calm under pressure, effective problem-solving skills, open to improvement, and proficient in project management. Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The one hour session was very interactive and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.

**Learning Outcome:**

- The students understood scope and opportunities in logistics industry.
- The students understood the various profiles in logistic industry.
- The students understood the key skills required for various profiles in logistics industry.

	 <p>Resource person briefing about the workshop</p>
<p><b>Report: Description in (min 250 to max 800 words)*</b></p>	<p>A workshop was organized on 28.03.2023 under the ambit of Capability Enhancement Program on the topic 'Corporate Interaction and Emergent Areas COVID-19 AWARENESS NATIONAL WORKSHOP' for the students of BAJMC. The resource person for the workshop were Dr Riti Thapar Kapoor, Workshop coordinator, Associate Professor of Biotechnology, Amity University, Noida, Shri Nimish Kapoor, Principal Scientist &amp; Head, Publications Division and Science Films' Division, Vigyan Prasar, Department of Science &amp; Technology, Govt. of India, Ms Aarti Dhar, Sr. Health Journalist &amp; Consultant, Centre for Advocacy and Research, New Delhi.</p> <p>The workshop started with the ceremonial lamp lighting, welcome of the guest. Dr. Nivedita, Convener of the event welcomed and introduced the guest to the audience. Dr Riti Thapar Kapoor briefed the students the expected outcome of the workshop. Ms Aarti Dhar, discussed the challenges of covid-19 related media coverage and the role of the media in circulating the right information and efforts of the government regarding taking the best fit approach to overcome it. She also advised the students to remain ethically and professionally strong. Shri Nimish Kapoor explained the importance of fact verification especially for mass communication students. He described the four big challenges for news media, Trust and Misinformation, Local News, Inclusive Journalism and Emerging</p>

	<p>Technologies. He elucidated the impact of misinformation and false fact that were broadcasted in news through various media with examples. The speaker said that one should not believe without verifying the authenticity of any news or information that come through various social media. He demonstrated various tools to check the authenticity of the facts, photo and videos like Google Scholar, Google Reverse Image Search, Rev Eye Reverse Image Search, You Tube Data Viewer, Invid, Watch Frame by Frame, Jeffrey's Image Data Viewer. He made the students aware that a close and fine observation on visual cues may reveal the minutes detail in videos and photos which can throw light on its time and context. He informed the students that any information related to health can be verified by visiting government trusted sites like WHO, CDC, ICMR, TIFR, Min of Health and Family Welfare, Vigyan Prasar etc. He stated various sites and organizations which work on news analytics and authenticate the news, like Vishwas News, Boom Live etc. He briefed the students about the scope of Fact Verifiers especially in media industry and told that various media group are hiring for it. He sensitized the students that they should always take photograph and video with google tag on but he also warned the students not to divulge all details on social media, which they can achieved by following very simple modification in the media file. The three hour workshop was coordinated by Mr. Mayank Arora, the co-convener of event the Along with faculty members a total of 170 students participated in the workshop. It was an interactive session and was well received by the students. At the end Dr. Nivedita thanked the speaker which was followed by the collection of feedback by students.</p>

<p><b>Report: Description in (min 250 to max 800 words)*</b></p>	<p>A seminar was organized on 03<sup>rd</sup> April, 2023 under the ambit of Capability Enhancement Program on the topic 'Seminar on Transition from Campus to Corporate and Sustaining the Corporate'. The resource speaker for the seminar was Mr. Sarthak Shukla, Assistant Manager KPMG.</p> <p>The speaker discussed about the differences in</p>

	<p>campus life and corporate life. He said that the transition is generally confusing and for a smooth transit one has to upgrade the various skills required to sustain the industry, be it soft skill or professional skills. He stated that the management students can focus on learning Lean Six Sigma which is a fact driven methodology adopted by industry to ensure desired outcomes achieved repeatedly over a period of time. He emphasized that the methodology has been embraced since ages by diverse organisations across varied, industry domain and portfolio. He stated that Lean Six Sigma to be a perfect answer to various dilemmas where organisations can deal with cost pressures through effective waste reduction, better process control thereby adding values to the organizations. He demonstrated that the method can be adopted in various projects ranging from Finance and Accounting, Marketing and sales, Human Resource, Operations, Retail, Manufacturing, IT/ITES, Healthcare and industry wise, it is used in almost every industry like, Consulting, Manufacturing, Services, Healthcare, BFSI, Energy, E-commerce, Telecommunication, Steel Industry, Construction, Retail, Supply Chain, IT, Media, Automobile, Airlines, Defence, for a better cost production. He informed the students that a green belt holder generally gets a job at 10 – 11.5 LPA while it goes to 15.0 to 17.5 LPA for a black belt holder in Lean Six Sigma. The one hour session was well coordinated and was well received by the students.</p>
<b>Resource Person Profile</b>	Mr. Sarthak Shukla, Assistant Manager KPMG

<p><b>Report: Description in (min 250 to max 800 words)*</b></p>	<p>A seminar was organized on 24.04.2023 under the ambit of Capability Enhancement Program on the topic 'Verbal and Non-Verbal Reasoning' BCA 2nd Year Students The resource person for the seminar were Mr. Amit Poddar, MBA from India Institute of planning &amp; Management, Senior Regional Head T.I.M.E.</p> <p>Verbal and Non-Verbal reasoning are more a demonstration of a student's cognitive skills than of his/her acquired knowledge. Testing a child's reasoning skills helps to assess students' ability to think critically, measure their aptitude, assess their capacity for information processing and problem solving. In short, it encompasses your ability to learn and process information in words and images. Verbal Reasoning measures students' ability to use language to identify and solve problems. It goes beyond formal literacy by testing wider reasoning and cognitive abilities. For example, children may be asked to identify words within words, solve basic word puzzles or identify patterns in words and sentences during tests. Other examples include finding one letter to complete two words, or spotting the odd word in a group or naming synonyms and antonyms of particular words. Non-Verbal Reasoning deals with images and how we learn by interacting with them. Interestingly, people largely think in images, thus the ability to respond to and interact with visual imagery can be a good test for abstract thinking, creativity and complex problem</p>

	<p>solving abilities amongst others. Examples of tests students must complete include identifying odd shapes in groups, identifying inverted images, creating shapes with material, finding identical shapes in groups or identifying sequences in image arrangements. Earlier Dr. Nivedita welcomed the speaker in the seminar and introduced to the students and described the objective of the seminar. The one hour session was very interactive and was well received by the students. The seminar ended with a vote of thanks by Dr. Nivedita.</p>

<p><b>Report: Description in (min 250 to max 800 words)*</b></p>	<p>A seminar was organized on 17th May, 2023 under the ambit of Capability Enhancement Program on the topic 'Bridging the Gap Between Academia and Industry in India Corporate-Expectations from Fresher'. The resource speaker for the seminar was</p>

	<p>Mr. Ashish Kumar, Assistant Manager Tata Consultancy Service.</p> <p>The event started with ceremonial lamp lighting and welcome of the guest followed by felicitation of the guest and introduction. The speaker started with an interaction with the students as what they have planned for their career path. He elaborated the difference between the skill sets required in the industry and the skill sets being learnt in academia. He then discussed about the expectations which the industries/corporates are having between industry and academia with the fresher in terms of skill, attitude and approach. He then discussed the job situation in India and abroad along with the top ten emerging jobs and declining jobs. He further described the trending technologies which are paying and that the students should learn through certification program. In the last section of the session the speaker answered the various question for the students. The session was followed by vote of thanks by Dr. Nivedita and later the student coordinators presented the guest a painting of Lord Budhha as a token of remembrance. The two hour session was well coordinated by student placement coordinators and was well received by the students. At the last a feedback was collected.</p>
